BIRD-MAN

O. Jeffersontown Having Exciting Experiences in the Air—Hugh Gratz Makes Successful Flight.

Hugh Gratz, the Jeffersontown aviator, took a tumble Monday morning while trying out his aeroplane in a field near Doup's Point. Something went wrong with the mechanism, after Mr. Gratz had risen to a height of about twenty feet and the machine crashed to the ground, slightly damaging the aeroplane, but not so badly that it could not be easily repaired. Mr. Gratz was unhurt and later made a successful flight.

Mr. Gratz has booked orders for several important engagements, and while he has been "flying in the air" only a short time, he has been very successful so far. His friends here are proud of him as an aviator, and on account of his great courage predict a bright future for him.

COLORED FAIR

Now In Full Sway and Good Time Is Being Had—Fiscal Court Invited.

The Colored Fern Creek Fair Company is holding its fifth annual fair beginning today and ending Saturday, at the white county fairgrounds near Fern Creek. The officers, Ed Taylor, of Jeffersontown, president; Joshua Williams, of Buechel, vice-president; Warren Larue, of Jeffersontown, secretary; James Adams, of Buechel, treasurer, and George Lewis, fruit secretary, have been working hard for several weeks in order to have a successful exhibition and from all indications now, it seems that their efforts have not been in vain.

Liberal premiums are offered for household displays, etc., and live stock, races, etc. The colored people are coming in from all directions to enjoy themselves at the fair.

One of the most important features, and one that the white people enjoy as well as the colored folks, is the grand cake walk which will be pulled off Saturday. Every year the cake walks at this fair attract large crowds of white people and this year a larger crowd than ever is expected. Tomorrow at 12 o'clock an old-fashioned country dinner will be served to the members of the Jefferson county Fiscal Court. This is only one way of the members of the colored fair company showing their appreciation of the donation of \$100 toward the premiums to be awarded for county exhibits.

If you want to encourage the colored people in a good work and at the same time enjoy yourself to the fullest extent, go out Saturday and witness the grand cake walk. The famous Clark brothers and others will participate.

Thirty Years Together.

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and it's the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it for forty years, it's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

WITH REVOLVER

Deputy Sheriff S. E. Potts Punctures Auto Tires of R. L. Thurman Near Fisherville.

Deputy Sheriff Seibert E. Potts, of Fisherville, fired two bullets into the left front tire of the automobile of Mr. R. L. Thurman, of near Fisherville, Tuesday, when Mr. Thurman refused to settle for a set of harness, destroyed when a horse Mr. Potts was driving became frightened at the Thurman automobile, and in prancing about, locked the wheels of the buggy in which Potts was riding with William Murray and fell to the road.

Potts left Louisville Tuesday morning to deliver a letter to Thurman, written by Attorney Charles Oxden and met Thurman while he was driving his machine, containing his eleven-year-old daughter, Margaret, and a neighbor's child, Elizabeth Money. Thurman says he stopped his automobile just as Potts' horse leaped high in the air, turned and fell to the road, ripping the harness in a number of places.

Potts jumped out of the carriage, it is said, and informed Thurman he would have to pay for the harness or he would shoot his tires full of holes. Thurman replied that he had stopped his machine in compliance with the law. Then it was that Potts pulled his revolver and fired two shots into the tire.

Mr. Thurman is executor of the estate of C. M. Beard and Mr. Potts presented him some papers in connection with the settlement of the estate after the trouble subsided. Mr. Potts is not related to Mr. Thurman, as stated in a Louisville paper.

Music and dancing and games were the features of the day. All reported a fine time.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them. 50c at all druggists.

STORK'S VISITS

Have Been Few in Dry Ridge Neighborhood.

A Child is Born to a Heritage of Love—Sudden Death of Good Woman—Funny Things at the Fair.

Dry Ridge, Aug. 21.—This isn't my week to write for The Jeffersonian, but we have a brand new, sweet little baby girl on Dry Ridge and I am bound to tell about it, for of late years around here the stork's visits have been like angels' visits, few and far between—and it has been quite a while since a baby girl "came here to stay." The baby is the daughter of Mr. and Mrs. W. E. Carrithers—born Aug. 18th and named Mary E., for its two grandmothers. It is the first grandchild that either the Hope or Carrithers family have had, and, of course, has been born to a great heritage of love; also, the best wishes of the entire neighborhood. Both mother and child are getting along nicely.

Stricken at S. S. Picnic.

King's church gave its annual Sunday-school picnic last Saturday. These picnics have usually been remembered on account of their being so interesting and enjoyable. This one will be remembered from the sad fact that Mrs. Jim Markwell, while arranging her dinner for her friends to eat, was stricken with paralysis. Her husband and friends tried to relieve her, but seeing she was rapidly growing worse, they put her in Mr. Elmer Barne's auto and hurried to her home. She revived once, then only long enough to ask for her six-year-old daughter. Doctors were hastily summoned but she was beyond human aid and died at 11 o'clock that night. Before her marriage she was Miss Florence Miller, daughter of Mr. Al. Miller. She leaves her husband, one son and one daughter to mourn their great loss. They have the sympathy of all who know them. Her funeral and burial will take place at King's this afternoon, the Rev. Stevens officiating.

Good Time at the Fair.

Considering the drouth the Fern Creek fair made a fairly good showing of vegetables and fruits. However, Dry Ridge, which usually sends in its full quota of these, was represented in that line by one little water-

melon taken in by Guy Boston. The Misses Boston and Miss Annie Reid received premiums on a cake, some fancy work and burnt wood. So, we feel we were not left out entirely. Besides we all came in for our full share of enjoyment. Katie Leah Boston says nothing there was as good as Mr. Sutt's "Tess and Ted" show. Her little brother liked the mule race best. The women seemed most attracted by the needlework and displays of jelly. The men, of course, gave their attention to the horses. The cutest thing I saw or heard was when two horses walked back of the music stand with checked fly-protectors on, and little two-and-a-half-year-old Mary Ruth Cartwright clapped her hands and said, "Oh, mother, look at the horses with their aprons on." There was something at the fair to cater to every one's taste and all enjoyed it. The editors of The Jeffersonian deserve credit for the splendid paper they get out and distributed so liberally fair week.

Mr. and Mrs. D. F. Wigginton attended church at Kings yesterday.

Mr. Ernest Wigginton and family spent Saturday with Mr. and Mrs. Roy Reid.

Mrs. Lee Harris and daughter-in-law and Mrs. M. G. Boston called to see Mrs. W. E. Carrithers and baby on Saturday.

Mr. Burdine Bridwell and family visited Mr. Dave McKinley and wife and attended the fair from there.

Mrs. K. S. Mills spent Saturday afternoon with Mrs. M. G. Boston.

I was pleased to meet Miss Spencer, a charming young lady, of Thomasville, Georgia, at the fair. She is visiting Mr. and Mrs. Leslie Seaton, who have taken a furnished house and are housekeeping in Louisville during their stay in Kentucky. They will return to the South in September.

Mr. and Mrs. Charley Davis and little daughter, of Jeffersontown, spent Sunday with Mr. Jim Neal and family.

The summer has passed all too quickly. September is almost here. Our school will open the first Monday with Mr. Guy Mills as teacher again. We hope and believe we will have a good school as it speaks well for both teacher and school, not to have to try a new one every year.

I want to say to the correspondent at Fairmount that I am going to make watermelon rind preserves this morning and wish she could be here to help herself and help me.

Mr. and Mrs. Tom Boston entertained Mr. and Mrs. Jake Fleck and Mrs. Morsey yesterday.

Mr. and Mrs. Ernest Davis spent the week-end with the latter's parents, Mr. and Mrs. J. R. Carrithers.

Mr. and Mrs. Wallace Wells visited Mrs. Frondra one day recently.
