Mr. Joseph E. Harkins,  
Prestonburg, Ky.

Dear Sir:

The District Committee on Capital Issues directs me to acknowledge receipt of your favor of the 6th, and to say that while the case was considered at the meeting of the District Committee on July 2nd, it was desired by the Committee that more information be furnished regarding the financial condition of the company. Will you, therefore, at your very early convenience, provide the District Committee with a detailed financial statement of the affairs of the company up to the present moment? The District Committee has meanwhile advised Washington that it has your application and the prompt receipt of the financial statement will cause practically no delay.

Very truly yours,

Harrison B. McGraw.  
Secretary.
