MEMORANDA

8.30 Drifting rain most of the day. Cloud all about. Looking forward to prayer meeting to Sunday. For P.M. 10 great doctrines of the Bible - On the Sun for Sunday, Job. 38.22. and for 18.14 -

10.00 Expressed somewhat today - not that I was uncomfortable - but just - down to singing "my plans as thine will," and begging the Lord to bring in the end, my blessings on without number and anything that could be done is done for me - "I have all and abound" I am disposed to get away from people and be alone for meditation. May not be the best. My habit has always been rather gregarious - I have loved people, wanted to be with them - and this tendency is unusual!
