

P. T. A. President Announces Convention

To Our Parent-Teacher Associations of Kentucky:

I am very happy to send you a word at this time. I am quite sure your local is functioning and making itself felt as a big factor in your community. If you have held your meetings regularly, you have found much to do and I know you have done it. We must keep striving and going on. April 14 and 15 will be dates of the meeting of the Kentucky Board and of the N. C. P. T. A. at the Western Branch Library, Tenth and Chestnut Streets, Louisville, Ky. Arrange now to have your P.-T. A. become a member and send representatives for the meeting. An outline of our program follows:

Tuesday, April 14, 1931

- 10:00 A. M. Pre-convention Executive Board.
- 11:00 A. M. Opening of morning session.
- 2:30 P. M. Opening of afternoon session.
- 7:30 P. M. Evening session.

Wednesday, April 15, 1931

- 9:30 A. M. Morning Session.
- 2:00 P. M. Afternoon Session.
- 4:30 P. M. Post-convention Executive Board.

All local presidents and delegates are eligible to attend Executive Board meetings and are urged to be present.

As your State President, I am urging the following:

1. That any Association will send a member in song for our program—a solo or a chorus.
2. That every Association will enter the contest for the best State Song—Best motto or best yell.
3. Each Association is asked to be in the contest for the best poster made by a member.
4. Bring a piece of work to put on exhibition.

I am especially anxious that our state will be organized into district associations just as our K. N. E. A. has its educational association for each congressional district. You are asked to come and recommend a chairman for your district.

Our National Congress is growing and at our last meeting in Petersburg, Va., we had nearly half of the states in our Union enrolled. The representation was fine and the enthusiasm and interest was wonderful. Kentucky held her own as she was represented by Mrs. M. B. Lewis and your State President of Louisville. Mrs. Lewis is our National chairman on Juvenile protection and appeared on program. Our next meeting will be in Washington, D. C., July, 1931. I hope some of our local presidents will plan to attend our National Congress.

Now my dear locals don't forget your per capita of 10c for our State meeting and we will have money enough to do some of the things we desire to do. Let me hear from you.

Best wishes and yours for the work.

ESSIE DORTCH MACK. President, Ky. P.-T. A.
