My dear William

I duly received yours of the 3^d inst. enclosing account current between us for the year ending 31st Dec. 1866 made out as usual with the utmost correctness. The bonds and mortgages are now so demur-
-ed in number and value that it is a labour of love on your part to have any thing to do with them - Accept my best thanks for the valuable services you have rendered us in the manage-
ment of our concerns in the West and the kindly interest
