

The meeting of Stock holders on  
the 9: will have devised some  
plan of making the City cash  
up

We had heard through  
Agnes Jeffrey of the trouble through  
which your dear Wife and  
you have lately passed and  
have sincerely sympathized  
with you

We are sorry to hear  
that John Jeffrey has not been  
well - Please say to him that  
I am longing to hear from him

Elizabeth bids me say  
that she has sent Pursh quite  
regularly. She intends now  
to write your address on the  
paper instead of the cover.

All her love in Christ

regards to you & yours - Believe  
me

Your affectionately  
Robt. Cunningham

Alex. Jeffrey Esq.
