About KentuckyOne Health

KentuckyOne Health was formed when two major Kentucky health care organizations came together in 2012, KentuckyOne Health company and Jewish and Catholic heritages of the two former systems – Jewish Hospital and St. Mary’s Healthcare and Saint Joseph Health System.

The nonprofit system is committed to improving the health of the communities we serve through investing in and expanding state-of-the-art medical research, education, technology and health care services wherever patients receive care.
