

THE PRESIDENT OF MURRAY STATE COLLEGE

Think . . . Think . . . that is a motto of Dr. Ralph H. Woods, President of Murray State College. Dr. Woods is a man of retrospect only in terms of gauging progress. His goal: "to develop effective leaders concerned with an enriched and a more satisfying way of life," is ever constant. Yet, with the tremendous task of pressing toward that goal, he has the time to be friendly, to be kind, to remember names of students—to practice what he teaches.
