FORD WILL BUILD NEW RAILROAD IN MARTIN COUNTY

Rumor Gets Start When Several Important Coal Property Are Consummated.

Wabash men have been in the market here two or three times in the last three weeks, and it is believed that they are looking into the possibility of extending the line into Martin County. The rumor started about a month ago when a Wabash man said he was going to look into the matter.

The Wabash men last week were shown a large property near one of the coal fields, and it is believed they may extend the line to this point. They have been shown the coal fields, and other things, and are about to start on the plan for constructing the line.

The railroad company is said to be interested in the property and is likely to purchase it. The Wabash men have been looking at the property, and it is believed they will make a decision soon.
