

# FINANCIAL SUCCESS THROUGH CREATIVE THOUGHT

FORMERLY "THE SCIENCE OF GETTING RICH"

By Wallace D. Wattles

A business man (a manufacturer at the head of his own company) recently told the writer that by applying creative wealth-producing methods, which he found in this book, he had increased the earnings of his company by thousands of dollars in a single year.

The author of "Financial Success," without previous experience as a writer for the public press, within a year's time after he began to work along the lines of creative thought, was earning over \$3,000 a year by his pen.

The book teaches that the true way to financial success is through the development of creative, constructive habits of thought and action, and that it is not necessary to impoverish others to enrich yourself.

The plan of action laid down in this book was thoroughly tested by the author and bears the supreme test of practical experiment. IT WORKS.

To increase that bank account, apply the principles of creating wealth as taught in Wallace D. Wattles' "Financial Success Through Creative Thought."

## PART OF CONTENTS

- I. The Right to be Rich  
Rich. Ownership of Money and
- II. There is a Science of Getting  
Property Comes From Doing Things  
in a Certain Way.

tracting Elements Brought Into Ac-  
tion by Efficiency.

## VALUE PROOF

"I sent for 'FINANCIAL SUCCESS THROUGH CREATIVE THOUGHT' and it has been a wonderful help—almost unbelievable."—Edda M. Heath, 1240 Ave. U, Sheepshead Bay, N. Y.

"What would be your best terms on five copies? I consider it a very valuable book and have a few friends who need such help."—Dr. Mary A. Heard, 250 Warren St., Roxbury, Mass.

DR. SHEPARD of Brooklyn wrote:

"Send me six copies to be given away. It is a splendid book and will do an immense amount of good."

MARK G. EVANS, a prominent attorney of Denver, wrote:

"Enclosed \$5.00 for five other copies. It should be read by every man and woman in the land."

MRS. MacKENZIE of Bridgeport, Conn., wrote:

"Enclosed \$6.00 for six copies. Dr. McLellen loaned me 'The Science of Getting Rich.' I read portions of it to five women and they all wanted one."

"FINANCIAL SUCCESS THROUGH CREATIVE THOUGHT" is printed from large, clear type on a fine quality of laid paper, with special fancy initials for chapter heads. Handsomely bound in cloth, 158 pages.

Price ..... \$1.10
