

+ FOREWORD +

It is not our desire in the publication of this volume to offer to the world an imperishable work of literature, but merely to record in simple and effective manner the deeds of our student days, so that in future life we may turn through these pages and live once again those days we spent in college halls. Hence, stranger, look not upon our humble work with critical eyes, but become as one of us, that you may the more appreciate the contents of this volume.
