

A NOVEL ORANGE EXHIBIT

Golden oranges of California—heaps of the finest of them—were used in making many attractive and novel creations seen at the Annual Valencia Orange Show at Anaheim, California. Photograph shows the Blue Goose exhibit, which attracted much attention—the blue goose being the center of attraction for the kiddies.

TUSCOLA Mrs. Morton Hammond of Jattie is very ill. Dr. Thompson was called to see her Saturday and reports her condition critical. We see that "Black Hawk" with his wonderful erudition, opulence and political standing has come out in defense of the healers and tells of the miraculous cures but mentions only one. Black Hawk knows that the child is not healed but is only convincing and had been for some time before he was taken to the healers. Dr. Thompson told them that the child would recover. A woman reported to have thrown her cane away, after being "healed," is now dangerously ill. Yes, sonny, we can take the mote out of our eye but the beam that is in the other fellow's eye obscures everything even the being possessed by a single idea to which all others lead. Every knock must have been a boost for they boasted out three weeks ahead of schedule time. Dear Black Hawk, judge not according to the appearance, but judge righteous judgment. See Matt. 23: 23, 24, 26; Mark 13: 6, 21, 22; St. Luke 21: 8; 2 Thess. 2: 3-12. Before prohibition went into effect we have it from the lips of the miraculous that she stood behind the bar and sold the damnable poison that has ruined so many lives and wrecked so many homes. No doubt she did the right thing in leaving the bar but thoughts of the scenes that must have passed before her while there are enough to cause nightmares for ages. If the ones that performed the wonders of which Black Hawk speaks possessed healing powers who conferred their powers? Is the power of divine origin? Joe Smith claimed that he received a special revelation from God and he wrote the book of Mormons but does the Christian church believe it? They have followers it is true. Wonder if Black Hawk is one? Christian science people claim to be able to heal the sick and raise the dead and when they demonstrate that they can do these things they will soon have a large following. Be not deceived. Hold fast to that which is good. OLD LEM JUCKLENS.
