

vast crowd and as he nelt down and offered a prayer to his god I could but rejoice in my heart at the consolation afforded the dying sinner by the religion of our Saviour And as the fatal drop fell and I saw a human being struggling in the air dying the misserable death of a felon I turned and left the scene with its gaping crowd and I think this will be the last Public Execution I will ever witness

On my way to the city from the Gallows I met Hundreds of both Men and Women hurrying on Eager to see the sight but too late and the city was literally crowded with all sorts and characters of People and drinking and fighting seemed to be the order of the day thus showing how little such a sight affects the Majority of the People

27th Helped S L Cooper raise a barn today

28th Sunday Went to church in the Morning Elder Moore Preached in the Morning Elder Fallan in the evening

29th I attended church again today at Morning and Night Elder Moore Preached went to Bro Fallans in the evening

30th Went to church in the Morning and to Squire Lillys in the evening and to Church again at Night

31st Went to church in the Morning and Helped Sam Cooper raise his Barns in the evening and went to church at night in company with Miss Garrett With this Ends the Month of Aug. this Month has been unusually pleasant and alltogether favorable to the Farmer

Sept 1st I will begin the Month of Sept by saying that the day is Pleasant and allthough it has the appearance of fall and is cool enough to be pleasant evrything around wears the garb of Midsummer and whilst writing this today I can but feel thankful to the giver of evry good and perfect gift for the Prospect we now have of Plenty I have been to church today Elder Moore Preached a very affecting Sermon on the Nature the Beauty and the glories of heaven I attended church again at night and the prospect I now think is good for a revival and I know there is one needed

2nd Went to Corrydon in the Morning and to church at night Elder Wheeler preached on the plan of Salvation &c

3rd A disagreeable rainy day I remained at Home in the Morning and then went to Uncle Steves in the evening

4th Sunday Went to church in the Morning Elder Hart Preached a tolerably good sermon in defense of the doctrine of the Reform Church

5th I have been busy today getting Tier Poles for a barn Helped G B Martin Lay the foundation of <sup>his</sup> Barn in the evening and went to Col Cabells at night enjoyed myself finely allthough it might be that I went a little too far after the and So Forth,
