H. B. Reedy, Your Pittsburg Paint and Harmony Wallpaper Dealer

Your old reliable plumber with years of experience on all types of hot water, steam, and hot air heating systems. Now is the time to repair, flush and clean your old heating system for the long winter ahead. It might save you from having to buy a new boiler which is very expensive.

I have in stock all types of both equipment, water heaters, Fairbanks Morris pumps, plastic and galvanized pipe and all kinds of material to do any plumbing job; kitchen sinks, base cabinets, all cabinets to build in your kitchen. I do all kinds of contract work, such as building basements, homes, extra rooms, wiring, installing all kinds of tile floors, and plastic tile on bath and kitchen walls. It is very expensive to hire an inexperienced man to check your heating system or plumbing which requires very particular work. I'm having to go out very often and install heating systems that have been put in by them.

All the above work can be done on the FHA Plan. No money down, up to three years to pay.

CALL H. B. REEDY AT 2621,

A man with 20 years experience. He will give you a free estimate.

KIWANIS SPIRIT

Weekly Bulletin of Kiwanis Club of Jenkins, Inc.

DEC. 1, 1955

LAST WEEK—NOV. 22ND: Once again Kiwanian Finch, serving as speaker for John Hale's program, brought an outstanding message. The theme Rev. Finch so capably developed was—"For the Past, MINDFUL for the Present, FAITHFUL for the Future, HOPEFUL."

THIS WEEK—DEC. 1st: Minstrel practice starts this week. First practice for everyone is TUESDAY NITE 7:30, Nov. 29th at Lakeside Hotel. BE THERE. Program for this week will probably be devoted to Minstrel Practice. Other practices will be announced, but we'll definitely practice Monday, Tuesday and Wednesday nights, Dec. 5th, 6th and 7th, at High School.

NEXT WEEK—DEC. 8TH: MINSTREL TIME. THURSDAY & FRIDAY NIGHTS, DECEMBER 8th and 9th. There's a lot of work to do between now and then. The publicity Committee has one of the most important jobs to do to publicize the show thru posters, bulletins, newspapers, radio and T.V.

ATTENDANCE PRIZE: Ed Snyder won last week. Dec Perry should learn to wear his Kiwanis buttons, if he expects to take away prizes. To set the record straight, Ransom Jordan won the prize NOV. 17TH — JOHN STAUFFER brings the prize this week.

GUESTS: Robert Johnston—Guest of the Club. Bob is Musical Director for the Minstrel. Let's give him cooperation.

SPECIAL MENTION: Denville Davidson and Drexel Webb turned in \$50.00 more, raised thru sales of cokes.

LAUGH LINES: Rastus: "Ah wants a divorce! Can't stand livin' wif dat woman nohow. She jes' talk, talk, talk night an day." Lawyer: "What does she talk about?" Rastus: "She doan' say!"

It requires hundreds of nuts to hold a motor car together and only one to knock it apart.

A visitor at a farm, noticing that one of the mules had a particularly vicious look. Asked the stable boy: "Sam does that mule ever kick you?" "Well, no sir," replied Sam. "but he's always a-kickin' the place where I recently was."

The words "In God We Trust" were placed on pennies for the benefit of those who use them for fuses. —(Kroehler News)

"An ounce of loyalty is worth a pound of cleverness." —(Elbert Hubbard)

SPORTS ITEM FROM MARYVILLE, TENN.

Neal Wormsley, formerly a student at Fleming High School, is playing first string guard for the 1955 basketball team of Everett High, at Maryville, Tenn. In their opening game, Everett defeated Walland High, 45-33. Neal was the highest scorer with 14 points.

The game was broadcast over the local station. Everett High School is the largest school in Blount County. (This item was contributed by Mrs. Harlan Wormsley, formerly of Fleming).

D. B. Cook To Be Here, December 14
