Hello, I'm Tony Kerr, your Circuit Court Clerk. While I know most of you, for those that don't, I want to share a little bit about myself. I am a lifelong Russell Countian, the son of Bob Kerr and the former Jeanette Kerns. I am a 1982 graduate of Russell County High School and I hold a Bachelor of Arts degree from the University of Louisville in Political Science and History. I have one son, Brandon Welby Kerr, who will be a high school sophomore this fall. I am a member of the Russell Springs Masonic Lodge #941 and I attend church at Jamestown First Baptist, where I am a member.

I began my career in public service at the age of 15, working for Welby and Mae Hoover at WJRS radio station, a position I held until I was elected circuit clerk in 1993. Some of the community activities I have been involved in include:

* Russell County Jaycees for the past 30 years
* Coordinating the Christmas Food Drive for WJRS
* Chairman of Russell County Community Blood Drive
* President of Circuit Clerk’s Trust for Life Organ Donor Awareness Program

Next Tuesday, May 22nd is Primary Election Day. I have nothing negative to say about either of my opponents. I wish them well. However, I firmly believe that with my staff, that we have the experience, the education and people skills necessary to continue providing you with the highest level of service from the circuit clerk's office.

I consider it both an honor and pleasure to serve as your circuit clerk. I ask for your vote and support so I can continue to serve you.

If I can ever be of assistance to you or a member of your family, please do not hesitate to call upon me.

Sincerely,

Tony Kerr, Russell Circuit Clerk

---

Circuit Clerk Tony Kerr

* Chairman of Russell County Community Blood Drive
* President of Circuit Clerk’s Trust for Life Organ Donor Awareness Program

---

Commissioner Comer

James Comer invites Russell County residents to visit with him on May 23rd at 1 p.m. CDT at the Russell County Extension Office.

“I think it’s important to get away from Frankfort and meet the citizens of Kentucky where they live,” Commissioner Comer said.

“I hope everyone will take the time to drop by and tell me about an issue that’s on their minds, seek advice about an agriculture-related problem, or just say hello.”

Commissioner Comer assumed office in January after 12 years as a state representative from Monroe County. As agriculture commissioner, he leads an agency that employs 250 employees. They help Kentucky farmers and food producers market their products, protect Kentucky’s livestock from disease, and provide a wide variety of consumer and environmental services. These services include pesticide regulation, motor fuel and fuel pump testing, amusement ride inspections, price scanner checks, and calibration of weights and measuring devices used in commerce.

Commissioner Comer is founder and owner of James Comer Jr. Farms, a 950-acre beef cattle, timber and hay farming operation in his native Monroe County.

He also owns Comer Land & Cattle Co., a family farming operation, with his father and brother.
