VENI' VIDIII VICIUM POLVERMACHER'S Hydro-Electric Voltaic Chains!

ARE for the first time, presented to the people of Georgetown and vicinity, as a scientific and convenient mode of applying Electro-Magnetism, in the instant relief and permanent cure of all nervous diseases, Rheumatism, a Palpitation of Heart, Painful & Swell'd Joints, Rheum, pains of chest, Neuralgia of the Face, Female Diseases, Deafness, Blindness, General Debility, Dyspepsia, Flatulence, Contracted Limbs, Pains in the Back, Paralysis, Sciatica, Hysteria, &c.

Polvermacher's Chains were first introduced into this country about one year since, in the City of New York, where they were subjected to the most rigid and thorough trial in every hospital in that city, by Professors Valentine Mott, Van Buren, Post, Carver and others, who discovered that they possessed strange and wonderful power in almost instantly relieving all nervous pain wherever located, and so satisfactory were the results produced, in every case, that their opinions were published through the public press, and thousands have been induced to try them, and in no single instance have they failed to perform all we advertise to do. They are prepared in this country, France, England, Germany, Austria and Belgium, and are in use in every hospital in Europe, and also in every hospital of N. Y. City.

No other Medical Agent can produce so many well Authenticated Certificates of cure—not only from intelligent patients, but from Scientific Physicians, and their sale wherever introduced has been unparalleled.

The chains are so constructed as to be worn near the skin, producing a constant current of Electro Magnetism—can be used by either adults or children never get out of repair, and with proper care will last for years.

Price of Chains, \$3 and \$5, and can be sent by mail to any part of the country. A pamphlet of 36 pages always accompanies each chain, and can be had of any agent, gratis.

CAUTION TO LADIES!—Ladies who are suffering from nervous pain, or who are afflicted with a great length of time, and who are suffering for by continued use, miscarriage is frequently produced. For Uterine Pains, one end of the chain is to be applied over the abdomen, and the other upon the spine, just above the hips.

SANDS' SARSAPARILLA.

IN QUART BOTTLES.
For Purifying the Blood, and for the Cure of

Scrofula, Rheumatism, Stiffness, Ulcers, Dyspepsia, Salt Rheum, Fever Sore, Erysipelas, Ringworm, Biles, Mercurial Discharges, Cutaneous Eruptions, Liver Complaint, Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.

I have prepared this the restorative proper in almost every case, and while the SARSAPARILLA Root forms an important part of its composition, it is at the same time, compounded with other vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation and the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of this one remedy. It is a powerful stimulant while it disintegrates and expels from the stomach and bowels all that is irritating, and at the same time restores their vigor and tone. Many other preparations imitate it in bearing the name SARSAPARILLA, and in that their resemblance ends, being often prepared from worthless and inert roots, and of course possess no healing or curative properties, and patients in making choice of which they will use should take no other, but that one entitled to their confidence, from the long list of cures it has effected on living witnesses, whose testimonials and residence have been published, and who are still bearing daily testimony to its worth.

ASTONISHING CURE!
Patterson, N. Y. 20th, 1854.
Messrs. A. B. & D. Sands, Gentlemen,—Having witnessed the most beneficial effects from the use of your SARSAPARILLA, it gives me the most gratifying pleasure in bearing testimony in regard to you. In the spring of 1845, I took a severe cold, and after eight weeks of severe suffering the disease settled in my left leg and foot, which soon swelled to the utmost. The swelling was lanced by my Physician, and discharged most profusely; after that no less than eleven ulcers formed on the leg and foot at one time. We had five different Physicians, but none relieved him much; and the last winter found me so emaciated and low that he was unable to leave his bed suffering the most excruciating pain. During the winter the bone had become so much affected that piece after piece came out, of which he has now more than twenty-five preserved in a bottle, varying from one half to one and a half inches in length. We had given up all hopes of his recovery, but at this time we were induced to try your SARSAPARILLA, and with its use his health and appetite began immediately to improve, and so rapid was the change that less than a dozen bottles effected a perfect cure.

With gratitude, I remain truly yours,
DARIUS BALLARD.
We the undersigned, neighbors of Mr. Ballard, cheerfully subscribe to the above statement.

WHAT'S IN A NAME?

SAM. KEENE is puffing forth his Tobacco emblazoned with high-sounding names,—done up in sugar and labeled in gold.

Gentlemen, we have just received several varieties of the weed which we could very appropriately call the "Elly Elgin," the "Sam Baine," the "Lewis Clifford," having been tested and approved by those gentlemen of acknowledged taste and fine capabilities. As we think however, there is but little in a name, we offer the article upon its own merits.

THE ELECTION IS OVER.

THE long and exciting canvass has come to a close, and as M. S. I have waited patiently for seven months to five years without seeing, but if I am not paid upon, I shall be forced, in self-defense to ret it to all who are indebted.

More over I defy any chemist to remove it from paper after it has been written with, and yet it can be sold at a very low price, entire satisfaction warranted in all cases.

DR. HALL continue to be consulted at his Office, No. 57, East Third street, on all diseases of the

PRIVATE OR DELICATE NATURE.

By a long course of study and practical experience of unlimited extent, Dr. H. has now the gratification of presenting the unfortunate with remedies that have never, since he first introduced them failed to cure the most alarming cases of

GONORRHOEA AND SYPHILLIS.

Beneath his treatment, all the horrors of venereal and impure blood, impotence, Scrofula, Gonorrhoea, Ulcers, pains and distresses in the regions of Procreation, Inflammations of Radder and Kidneys, Hydrocic, Abscesses, Humors, frightful Swellings, and the long train of horrible symptoms attending this class of diseases, are made to become as harmless as the simplest ailments of a child.

SEMINAL WEAKNESS.—Dr. H. devotes a great part of his time to the treatment of those cases caused by a secret and solitary habit, which rains the body and mind, unfitting the unfortunate individual for either business or society. Some of the sad and melancholy effects produced by early habits of youth are, weakness of the back and limbs, dizziness of the head, dimness of sight, palpitation of the heart, dyspepsia, nervousness, derangement of the digestive functions, symptoms of consumption, &c. The fearful effects on the mind are much to be dreaded; loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion of society, self-distrust, timidity, &c. are among the evils produced. Such persons should, before contemplating marriage, consult a physician of experience and skill and be once restored to health and happiness.
