**Quality BLOOM STORE Style**

One of the set principles of our store, when making mention of anything we have for sale, is to speak of it in a modest way. In other words, not allow our own enthusiasm to lead us beyond what the general acceptance might be. To underrate rather than overstate—if you please. It's right refreshing, too, in these days of "Mine's the best," to assume such an attitude, at least we think it is, and while one may try to excuse one's self, because its human nature to do so, yet we apply the soft pedal even there.

BLOOM CLOTHES ARE GOOD CLOTHES—we're content with merely claiming that. You may happen to know something about this particular make of clothing, and if so, you'll know that we cannot be too enthusiastic about them. They are manufactured by an organization of men who know how. They are made of pure wool worsteds (no manipulated cloth), by men who are incapable of producing an undesirable garment. They come in the various models shown this spring—blues, grays, tans, shadow stripes, chalk lines and fancies—

**Card of Thanks.**  
We desire to thank the Modern Woodmen and neighbors who so kindly aided us in the erection of a barn and in various other ways, following the destruction of our barn and contents by fire caused by lightning.  
L. V. STIVERS.

**Never Mind Who.**  
Recently a citizen was wheeling home a load of old oyster cans, bottles, etc., and curious to know what use he could put them to, he was asked his purpose. "Going to throw them over in my back yard," he replied. "We are going to have some relatives from the city to visit us. We may not have much to eat but if they see these cans, bottles and boxes lying around, they will think we've had oysters, champagne, figs and nuts till we've got tired of them, and are now living on bread and liver and beans for a healthy change." The Civic League should devote their time and attention to this citizen.—Exchange.

**"The Liver Pills act So Naturally and Easily."**

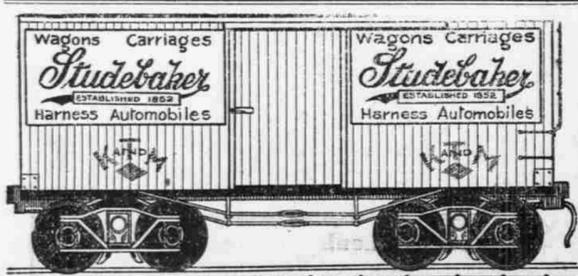

Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson after trying them wrote:

"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Pain Pills, on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely know that I have taken a pill. Frequently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case."  
A. L. Wilson, Sparta, Ill.  
Mr. Wilson was for a number of years cashier of the First National Bank of Sparta.

**Dr. Miles' Nerve and Liver Pills**

are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without gripping or undue irritation. They are not habit forming.

If the first bottle fails to benefit, your druggist will return the price. Ask him. MILES MEDICAL CO., Elkhart, Ind.
