

Wednesday 4 38
Bright, warm day. Clouds late and sun went
down in thick clouds. Indications for rain
working on my Q.S. lesson Mt 1, 12 - ^{see} 20
After Baptism Jesus is driven into the wilder-
ness & look out for trouble after a great
hour, (2) The Temptation. (3) Then the closing
of Simon & Andrew. And job of John -
Reading Greenfell again - And also his
Patrick's story of work in Jersey - "What
will be the permanent results of his work
in Labrador?" There is practically nothing
now as apart from himself, his Orphan
age - medical work - is all left up by
his own efforts, in the U.S. a Brother,
Bro Ezell came in for a little while, bor-
rowed Boston T. Washington's book -
Saw Prof. Murphy, said he had some Flu-
while gone. But looked well - Dory & Thomas
thru Deacon Moon last - his job at the
college yesterday. I haven't learned any
particulars of. Saw the death of Dr. Perry
toombs yesterday in Memphis, he was an
old student of mine in Georgetown - Roy
was in North school, I was later. I think
Col. Hight Moor's S. S. Book to day, I heard
on the Radio last Saturday night, he has a good
voice, "The Lord is gracious & merciful!"
