I have been working all day on a sermon for
next Sunday. Our Suffering, Miss Worth
is reading to me & and he has suffering
by Jones. He has some great things as
he follows closely the Bible teaching.

Whence comes our suffering - Why suffer
Should the good expect exemption from
suffering - God's purpose is allowing suf-
fering - Building character - Is life for
happiness or character - Does God suf-
fer with us? The Bible says "Heavenly
look our infirmities and bear our sick-
nesses". Does he take all I am in the

cross? - Paul has some great things
to say about suffering - "For I reckon
to Rom 8, 18-25 To the Cor 2nd 4-5 - John "Who
are these or" And we may ask "Who are
these beyond the hills & the River who wear
their halos and shout Holy Holy H
To the Cor, Paul says "Our light-afflic-
tions or = work for us or =
Great ends are had here other for which
we are utterly ignorant - Can't know.
They lie also in the deep plans of God
And so we do well to accept them and
beg God to help us to improve them and
triumph in them -
