Kudos to LPD for safety efforts

It was recently brought to the attention of the Liberty Police Department (LPD) that its effort in maintaining law and order through Liberty had turned into somewhat of an auto- matic function. The LPD had been so involved in looking out for the safety of the citizens that they had chosen their second priority to come last. This came to light, Chief Garrett said, when LPD’s efforts in looking out for the safety of the citizens had become a routine occurrence.

Delbert Ellison was my dad. He worked in limestone rock, building things and making tombstones, for lots of people. He also built roads in Durham in Yosemite. Delbert Ellison was my dad. The crime. I’ll pay the fine.

We had two education bills. Senate Bill 55 allows for the resignation of a district personnel. That is, if a child is sick because of abuse.
