

Half Sick Half Well

Many persons have their good day and their bad day. Others are about half sick all the time. They have headache, backache, and are restless and nervous. Food does not taste good, and the digestion is poor; the skin is dry and scaly and disfigured with pimples or eruptions; sleep brings no rest and work is a burden.

What is the cause of all this? Impure blood. And the remedy?

It clears out the channels through which poisons are carried from the body. When all impurities are removed from the blood nature takes right hold and completes the cure.

If there is constipation, take Ayer's Pills. They awaken the drowsy action of the liver; they cure biliousness.

WOMAN'S NIGHTMARE.

She Shudders When She Realizes the Danger and Pain of Child-bearing.

There is so much suffering and danger in store for the young mother, that her happy anticipation soon gives way to a feeling of dread at the thought of the pain which she must undergo. This constant fear so preys upon the mind of many women that it fills them with terror and makes baby's coming a source of the greatest anxiety and dread.

All the suffering and danger of the ordeal can be avoided by the use of "Mother's Friend," which prepares the body for this important event. It relieves "morning sickness," and many other unpleasant conditions which exist during this time. Thousands of women praise "Mother's Friend" for bringing them safely through the most critical period of their lives.

Every woman should send their name and address to the Bradford Regulator Co., Atlanta, Georgia, and receive free, valuable information on the subject.

How To Find Out.

Fill a bottle of common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; to frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO. There is comfort in the knowledge so often expressed, that Dr. Killmer's Swamp-Root, the great kidney remedy, fills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passages. It corrects inability to hold water and scalding pain in passing it, or had effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. At druggists fifty cents or one dollar.

You may have a sample bottle and a book that tells more about it, both sent free by mail, if you send your address to Dr. Killmer & Co., Binghamton, N. Y. When writing be sure and mention that you read this generous offer in the BRECKENRIDGE NEWS.

CIRCUS COMING.

The Small Boy is Elated Over the Fact.

Two thousand square feet of bill boards decorated with gaudy circus pictures announcing that the famous Harris Nickl Plate railroad circus, with the biggest and the tiniest elephants on earth and the greatest den of performing lions that ever happened, will be here Friday, May 5.

Weak Eyes Are Made Strong

dim vision made clear, eyes removed and granulated lids or sore eyes of any kind speedily and effectually cured by the use of Sutherland's Eagle Eye Salve. It's put up in tubes, and sold on a guarantee by all good druggists.

DANGEROUSLY HURT.

Wounded By the Accidental Discharge of a Pistol.

Jimmy Mattingly, Cliff Mattingly's son, is dangerously hurt at his home in Rock Lick. Monday morning while handling a pistol, it was accidentally discharged, the ball passing through his right breast, his right lung, out at his back and then burying itself in the wall of the room in which he was standing. Mrs. Dempster, of Glendean, and McMullen, of McDaniel's, were summoned. They pronounce his condition critical.

It reads with you whether you continue the use of this medicine or not. It relieves the desire for tobacco, with out being detected, cures the habit, purifies the blood, restores the strength, and makes you strong in health, nerve, and pocket. NO TOBACCO. Buy your own drugist, who will refund your money if you will, patiently, persistently use it. It is a sure cure. 2 boxes \$1.00. Guaranteed to cure, or we refund money. Write to Dr. J. C.
