FLOOD NEWS.

The Situation as Reported from Memphis.

DISTRIBUTING GOVERNMENT AID

In the event of inundation due to the overflowing of the Mississippi River and its tributaries, the government is distributing aid to the sufferers. Information from the Federal Aqueduct and Drainage Commission and the Army Corps of Engineers indicates that the flood waters will reach their peak in the next few days. The following is a summary of the situation:

ONE RECRUIT.

The Paducah News Letter.

HUNTERINES ARE JUDGMENTAL.

Porto Rico Join the Revolution Against Spain.

IMMEDIATE SUMMERS ARMS.

Frankfort, April 5—It looks as if this time as of the proclamation today that the war was to be delayed. On the present situation in Cuba, the president has asked the second ballot to be taken.

HUNDREDTHS ARE JUDGMENTAL.

In the executive committee of the Union there was a change in the order of business to the general discussion of the treaty with Spain.

MINISTER'S MESSAGE.

The following is a copy of the message from the minister of foreign affairs:

"The situation on the southern border is serious, and the war must be continued. The government has taken the necessary measures to protect the lives of the inhabitants and to ensure the safety of the military forces. The treaty with Spain, which has been negotiated, is ready to be signed."

ALL OVER NOW.

The Democratic Convention of Murray County.

DOOK AND MISCELLANEOUS.

A Contribution From Eight-year-old Ballet Dancer, April 5, 1907.

PROJECTS ALL REPORT HOME.

The convention which began its business last night met this morning and disposed of the following:

1. The convention decided that all papers submitted must be in duplicate.
2. The convention decided that all papers must be submitted by May 1.
3. The convention decided that all papers must be submitted by May 1.

NATIONAL AND NEW ICEBERG REFRIGERATORS.

In his report to the committee on the inhibition of the ice industry, Mr. J. S. McCloy, of New York, said:

"The ice industry is in a state of great distress. The introduction of the new iceberg refrigerators has caused a great depression in the market. The committee is recommended to take steps to remedy this situation."

INSECTS.

Insect pests are again a menace in the southern states. The following is a brief outline of the current situation:
