Protecting Their Tomorrows

From the moment I said "I do,"
I promised to always love her.

From the moment I first held my son,
I promised to always be his hero.

When it comes to my family
I will never break a promise.

That's why I bought Life Insurance.
To make sure my family is secure even
if I cannot always be here for them.

Because it's not about my life, it's
about theirs!
