has 363 Instructed Votes in 31 Counties.
Black Second With Seventeen Counties and One Hundred And Fifteen Votes.

Lexington, Ky., July 15.-The State Convention of the Democratic party, which was in session here Thursday and the present meeting has to the best of its knowledge and belief been free from interruption of any kind, has returned the returns from the county conventions of yesterday. But it was stated that the bill would continue for several days, and that every vote by the delegations from the counties is expected.

Lexington, Ky., July 16.-The Kentuckiana Democrat, this morning, reports that the conventions of the same parties in Kentucky as in the nation, will be held in Lexington on July 15th.

DELEGATES.

Lexington, Ky., July 17.-Mr. John H. Hardin, of Hardin County, who is a member of the state convention here in session, is a native of the county of Lexington and a son of the late Dr. John H. Hardin, a learned man and a gentleman, who was for many years a member of the legislature of the state. He is the author of several books on the subject of law, and is well known throughout the state for his publications in the field of jurisprudence.

OneFare about the city. It is expected that the new facility will be a great improvement in the transportation of the state capital.

Of the tickets sold, 300 were sold in one of the worst districts of the state, for the purpose of making a new facility for a railroad in the state. The county judge and the governor have the power to create it and it is expected that it will make the election.

A new precision with the new facility would take 125 to 150 from the state. This would be a great improvement in the transportation of the state capital.

Mammoth County, one of the sections of Kentucky, is a county of the state, and is situated in the northern part of the state. It is bounded on the north by the state of Ohio, on the east by the state of Virginia, on the south by the state of Tennessee, and on the west by the state of Missouri.
