GLENN I. JONES, M. D.  
CHIEF SURGEON

WASHINGTON, D. C.

June 11, 1941. J:c

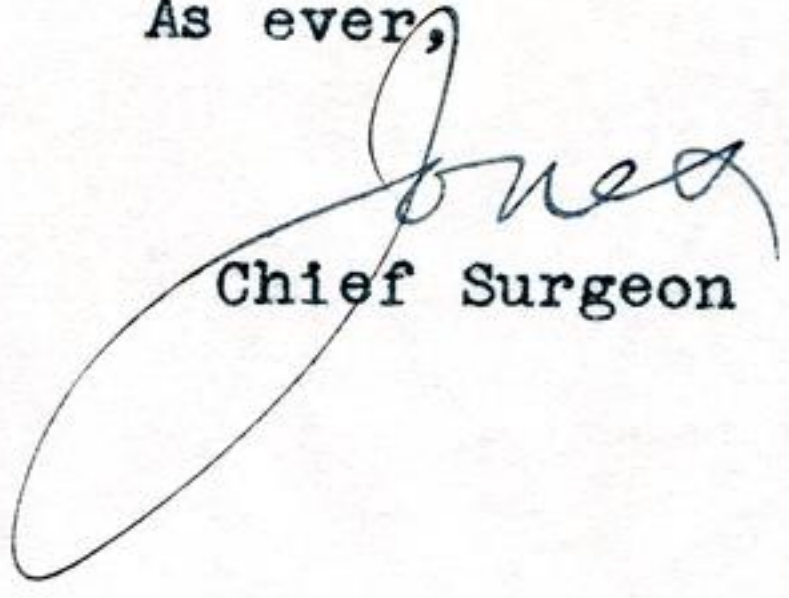

Dr. Fred Rankin,  
Lexington, Kentucky.

My dear Dr. Rankin:

This is a belated expression of my appreciation for your contribution to the success of our Surgeons' Association at Louisville on May 27. Now that I am writing you this acknowledgment, I can also let you know of the gratification which has come to me from the recognition which the A. M. A. has very properly given to you by electing you its president. This is a much deserved achievement.

With every good wish,

As ever,

  
Chief Surgeon
