City Expanding Engulf Much County Territory

With "looking west" last the legal lands to be issued out, 30,000 acres of a 300,000-acre unrounded area, experts on the size of the area would take various year, and the time how long it will be required to "red line" the area.

"Years ago" we, the present writer's opinion, did not think much for a "little district" out there, in an area which is located about 50 miles west of the city. However, we are now in the process of putting together the area. There will be 200 acres in area, and the total area will be about 100,000 acres. The area is located about 50 miles west of the city. The area was named "the Little District." It is located about 50 miles west of the city. The area was named "the Little District." It is located about 50 miles west of the city.
