SUNDAY, JUNE 22, 1924 30

Went out to see prospect. Had a good
 S.S. and good congregation. Hot, oh
 so hot. Took dinner with Mrs Alice
 Hawkins. Such a good checker din-
 ner. Poor Mrs H. - says she is
 just waiting. So going down hill
 every day. Looks quite worn and
 thin. I told her of my experience.
 Mrs Alice out on a visit some when
 Miss Ella and the two boys on a
 care. She doesn't seem to know
 how to manage them and they
^{ruled} rule her. Poor thing it is too bad.
 We got home by 2. and the sun shined
 at 96. & is then now at 7 P.M.
 A most withering day. The corn fields
 and the grasses looked as withered &
 dry. And the sun burns on so ^{early} ~~fully~~
 scorching wind is blowing.
 Mrs Pantey, Mrs Cobb, Mollie Boyd, all came
 in a while in the afternoon. Violet
 came at 6 P.M. - Drank ice tea for supper.
 Will try to effect on me - I washed me face
 and I think it regularly.
 Miss Higgins birth day. 37.

MONDAY, JUNE 23, 1924 30 175

So awful hot. The wind is like a hot war.
 and vegetation is much withered today.
 Mary and Violet. Mollie B. & Libby came
 out to the Creek for a swim and enjoy-
 ed it. Frances came by 5 o'clock and
 I drank a cup of coffee with Bess &
 then sat awhile and talked with the girls.
 Trying to help them to live a happy Xian
 life. A sister of Miss Dallen was there and
 a Miss Sped from Entaw Tl. Ex. was
 there. A Miss Sped I married to her we
 draw works in their case. She said she
 had had a happy married life and she
 felt was the cause of it. Bless their
 hearts may they long live & be happy.
 She said I had to marry her when she got
 married. - Said she knew people by their voices.
 And she could go down on the street and tell
 who people are by listening to their talk -
 I asked her if she knew my voice. "Yes" she
 said. "She has been there 10 yrs. and knows
 many long distance people also - let me be-
 warn of very words over the phone - long dis-
 tance or near by." So hot tonight!
