CHRISTIAN THOUGHTS

What If

By Keith Bowling

What if the devil were pre-tending to be a preacher? what would you tell him? I'd tell you something that sounded good. It would sound so good you'd ne-ver even think it was of the devil. I'd make it sound like the Lord was saying it. It would be flattering words. I might just change one word or add one word like I did in the garden on Adam and Eve. Now how would I look? Like some body you'd think was already in your places in word of God. I couldn't fool you with a red suit and a pitch fork in my hand. Why I'd look just like a preacher! I'd have to look good to delive others. People said a false teacher would be a wolf in sheep's clothing. Now what else would I tell you? I'd tell you to believe that you could save various ways than God's word. I would change just a little and destroy your faith. The worst part is the devil I was using to deceive people wouldn't even know they were deceived and de-strue. Would be the blind leading the blind. I would appear to be ministers of righteousness (2 Corinthians 11:14-15.) Do you think someone know how the devil was a preacher? If he changes God's word and comes up with his own ideas in place of the word of God. You must try the things whether they are of God. Study the word of God for yourself. There's nothing like the truth. It's eternal. Heaven and earth shall pass away but not the word of God. Heaven and earth shall pass away but not the word of God. Heaven and earth shall pass away but not the word of God. Thanks to the many of you that came to our Easter serv-ices and made it a tremendous success. You come back again, be cause at Sunnett we want to be your other family.
