Is the Constitution for Sale?—Speech by Capt. William H. Stayton
How to Meet the Issue—Speech by Hon. William E. Borah

THE SUPREME COURT AND THE NEW DEAL

"If, in the opinion of the people, the distribution or modification of the constitutional powers be in any particular wrong, let it be corrected by an amendment in the way in which the Constitution designates. But let there be no change by usurpation; for though this, in one instance, may be the instrument of good, it is the customary weapon by which free governments are destroyed."

—George Washington.
