make a difference

For nearly 150 years, students have come to the University of Kentucky seeking an education and a promising future. Today, it often takes scholarship assistance to make those dreams come true.

Through gift and estate planning, there are a variety of ways to help young men and women achieve their goals. With a bequest, gift annuity or charitable trust, you can leave a legacy, open doors of opportunity and change lives.

For more information on planned giving options, contact the University of Kentucky Office of Gift and Estate Planning.
