

the character of the Dr
before I placed myself in
his hands for treatment,
as there were so many "Quacks"
who liked to experiment upon
persons.

I thank you and Mr
Collins very much for your
kind invitation, and shall be
most happy to accept, if it is
for the best; and we all have
confidence enough in the Dr
to place myself under his care,
: Perhaps without much trouble
you or Mr Collins could find out
more in regard to this matter,

I shall depend very much
on your judgment, Do you
think you would try and see if
any thing could be done for
my relief in this respect?

It will be quite an

experience, but I shall not
think much of that if I can
get relief -

Our work here is very light, we have
no company to take meals with us,
(we have had a good many calls)

Walter helps us very much about
the work - They are very kind to
take us to church on the Sabbath
and when it's sleeping, on Wednesday
evening - Other times when I am
out, I often meet friends that bring
me home, Dr Tacey our minister
has done so a number of times.

The experience I had last season
on account of my loneliness led
me to know I had many friends
here - Edward has many friends
here, and if he had remained
longer perhaps he would have
liked it better - The people are
friendly, but are more formal
