

Monday evening at sunset.

Dear Mother,

Have had  
a pleasant journey  
so far - have been reading  
and looking & eating.

All I expect to tell you,  
Lennie about my S. S.  
class. Wednesday night  
and he will ask me  
to take it - for which  
I promised to let him know.

Yours M. E. O. Adams  
Tulsa, Okla. - Mr. P. - met  
me at St. Louis last night  
and with so much to talk  
about. I forgot to ask him  
to mail this card. Am  
getting along well.
