

This, or prefer waiting till I come home, please make me a white jaconet or mussock waist trimmed in the same way. My crisse waist has short sleeves and of course can not be worn at the examinations. If I had time I should make it, but I have more to do now than I shall accomplish.

Please send me by Saturday afternoon if possible, a pair light stone colored kid gloves. If you can get ^{the best} ^{or rompers} ~~forward~~ ^{get} I prefer them, if Courvoisier, get No 6. Do not have them stretched.

Did you say Sister is going to wear the same shaped bonnet this summer as last? Will that shape be worn much? If it will I shall make mine myself. Are white ribbon strings worn much. I do not want illusion, if they are worn please send me enough wide white ribbon for a pair. If they are

worn tied in a bow, of course it will take more. Also, please select me some pretty blue flowers, a wreath to go across the front and fall partly over the back, and a little bunch to head it. If the strings are worn & with a bunch of flowers, instead of a bow, I shall need another bunch. Grape flowers would be prettiest I think, not too light a blue. I shall cover my last summer's bonnet with crape. I can get fine crape for \$3.50 a yard, and $\frac{1}{4}$ of a yd will

cover my bonnet, I think. What do you think about Sister coming to Commencement? Aunt Lizzie says Mrs Barbour invited her, of which I was very glad. If she comes, she must, by all means, come next Friday week, as the Reception (we have two a year) will be that night. She would then become acquainted,
