Mass, J. F. Burchard & Co
 No 108 Broad St, Boston Mass,
 Gent

Since shipping you the barrel
 of Whisky we have nothing from
 you. On Oct of this year let
 us know if you can get offers
 for 100 to 500 barrels & at what
 price. If you cannot get offers
 to buy, maybe you can find
 some of your capitalists who
 would like to make advances &
 hold the Whisky as security.

We may find it to our advantage
 to pay for advances rather than to sell
 Whisky at present rates and as we
 want to introduce our Whisky in
 your Market we would be willing
 if we could find the proper parties
 to let the Whisky go forward out
 of bond provided the parties taking
 it would advance the tax of 50¢
