Mrs. Newcomb Buchanan Co.
Lonsville Ky

Dear Sir We have your favor of yesterday
and carefully note same.

Our Mrs Stone has not returned
yet and the writer does not feel willing
under existing circumstances to sign
note for money at the rate you will not
be including when date of storage and
insurance. When the writer called to
see you he was temporarily impressed
with the belief that an emergency might
arise that would make it to our advan-
tage to release all our whisky from
bond since every year our views
change to some extent and we no
very much doubt if there will be any
occasion for hurried action in the
future bond. We may yet be inclined to
take all our whisky from bond and if so
will have to get money from some one
and there is no house we would give the
preference over you but at present we
disrespectfully decline your proposition of
10th Inst. Accept our thanks for the offer
and believe us
Yours Truly
