

**To Those Who Have
Never Dealt With Us
This Page is Res-
pectfully Dedicated**

We ask for a trial order only. Isn't that fair?

We will please you. Why?

Because we carry an immense stock of lumber and you will not have to do with substitutes.

Because we have the newest, biggest and best wood-working factory in Lexington.

Because our prices are the lowest.

Because we will serve you promptly.

Because buildings erected by us are done under our personal supervision and carry our guarantee.
