

27th I was at Esqr Turners Court this morning and at the Funeral of Drusa Cooper in the evening This was one of the Saddest Funerals I ever attended as there were two funerals instead of one one a Poor little Victim of ~~G~~ Croup. While the Devoted Sister watched by the Death bed of Her Sister the destroyer Came and took from her one of her little ones in the Same House The little Sufferer went up to join her aunt among the angels and as I followed the two Coffins down the Aisle of the Church I felt as I have seldom felt in my life Elder Miller Preached the Funerals after which we bore them to the Same Grave Yard and laid them among Kindred dead

Oh how I Pitied the Heart Broken Mother & Sister who had to go through such a trial
