CLASS REUNIONS

This year the officers of the Alumni association will inaugurate what has long been a much needed factor in the activities of our Alumni association; a system of class reunions. This feature is one of the biggest factors in the annual homecoming of alumni in most of the universities and colleges in the United States.

REUNION OF CLASS OF '08 SUCCESSFUL

The members of the class of 1908 conceived the idea that if they had not held a reunion in 20 years it was high time to hold one and the twentieth year seemed a logical time.
