One Boy :

That K. U. bachelor club seem to be right good looking boys from the picture at Van Hoose' window.

Barr: Yes my sonny, but if you'll see them ugly d—s. you'll say the girls were right in shaking them. Van Hoose is certainly the man for ugly fellows.

"Bob" Taylor, May 23.

Bob Taylor the apostle of "Love, Laughter and Song" will lecture on those themes for us on May 23d. 'Tis the treat of a life-time to hear this man; he is the sublimest orator, finest story-teller and the sweetest singer on the American platform. People don't *like* to hear "Bob" Taylor,—they *love* to hear him—"his lectures are delicious."
