Representing the University of Kentucky Faculty

Four-Year Term
December 15, 1986 - December 14, 1990

Joseph A. Kuc
Fred W. Zechman

The motion, which was made by Mr. Hershey and seconded by Mr. Rose, carried unanimously. (See PR 5A at the end of the Minutes.)

T. Naming of University Facility (PR 5B)

Chancellor Gallaher noted that of all the presentations he has made to the Board, none has given him greater satisfaction than this one. He stated that it was his pleasure, and his honor, to recommend that the University's Center for the Arts be renamed the OTIS A. SINGLETARY CENTER FOR THE ARTS. He added that this action will constitute one of the most appropriate honors the University can accord one who soon will have been its President for eighteen years. He said that its appropriateness is further attested to because of President Singletary's strong support for the arts and humanities. In accordance with University policy, he then presented the recommendation of the Committee for Naming University Buildings that the arts facility be named OTIS A. SINGLETARY CENTER FOR THE ARTS. Mr. Clay so moved. The motion was seconded by Mr. Ramsey and unanimously carried.

President Singletary expressed his appreciation and thanks to the members of the Board and added that he could not think of anything with which he would rather have his name associated with than a place where town and gown come together. (See PR 5B at the end of the Minutes.)

U. Nominations to Kentucky Equine Drug Research Council (PR 6A)

With President Singletary so recommending, Mr. Clay moved that the Board approve the nominations of Dr. William Lubawy, Dr. Jack Olson and Dr. Robert Yokel for submission to Governor Martha Layne Collins who will appoint one of the nominees as a member of the Kentucky Equine Drug Research Council. The motion was seconded by Mr. Black and carried. (See PR 6A at the end of the Minutes.)
