

What is the Kentucky Network?
It's the little things, the big things...
It's everything...It's you.
"Alumni Helping One Another."

The Kentucky Network is an on-going connection between the alumni and university community. It's fun and good times when attending local Club events. It's the warmth and camaraderie you feel at your Class Reunion, and on and on it goes.

It's something only a Kentucky graduate can understand. It's everything we stand for, and the essence of who we are.

Simply the Best!
