

It would accommodate
me for you to transact
the business through the
Deposit Bank of Glasgow.

You can send the check
to the Deposit Bank, with
instruction to them to pay
when I deliver them the
deed.

I could send the deed
to the Masonic Savings
Bank, with instruction
to deliver when you order
them to pay the money but
it would save me some
trouble if it could be
done through our Bank,
or one of them.

I would be pleased
to hear from you as soon
as practicable, for Ellen
made a note, on which I
am surety for more than

her interest will pay, after
deducting fees & costs
and that note has been
drawing ten percent interest
from date which I want
to stop, as quick as possible.

I have been delayed
some, — got the deed from
Miss yesterday, but I know
from what you said about
the incumbrances thrown
around the land you would
not wish to pay the money
before they were removed,
hence have been more
patient under the delay.

Please let me hear
from you immediately, and
let us close the matter up
as soon "as you can see
your way clear".

Yours very truly
S. J. Purcell
