Tales of the Enchanted Isles of the Atlantic

By THOMAS WENTWORTH HIGGINSON

Legends showing that the people of Europe were for centuries fed with romances of marvellous and beautiful countries beyond the Atlantic. Besides the early Irish, Spanish, and other traditions of the Happy Islands of the West, there come to us, among others from our own race, the old stories of King Arthur and his Avalon; of St. Brendan's Isle; of the Voyages of Erik the Viking; and of the vanishing Norumbega, so real a vision to the imaginations of Queen Elizabeth's day. Illustrated by ALBERT HERTER.

The Story of the Great Lakes

By EDWARD CHANNING AND MARION F. LANSING

The Professor of American History in Harvard University, author of a number of volumes on the History of the United States, has found an immense amount of romance is centred about the Great Lakes, from the time of their discovery and early exploration by the French missionaries down to the present time when they play so important a part in the industrial progress of the Middle West. This book tells the story of these great inland waterways, with special reference to those picturesque aspects of history which interest the general reader. Illustrated.
