

## JIMMY DAN CONNER

Guard

6'4", 190 lbs., Sr.

Jimmy Dan Conner has been employed primarily as a forward for the past two years, but this season Hall has decided to move the Senior to guard on a permanent basis. This is a welcomed move by Jimmy Dan, who feels more at home as a guard. Conner is a typical Kentucky ball player in that he can do many things well. Last year 52% of his field goal attempts were two pointers, had 75 assists, averaged 12 points and 4.4 rebounds per outing, along with being one of the team's most tenacious defenders. Perhaps more important are the intangible qualities he possesses such as leadership, desire, and a thirst to be a winner. This former Mr. Basketball of Kentucky is determined to help reinstate the Wildcats in the number one position of the S.E.C.
