SUKY Circle

School spirit and support for the athletic teams is promoted by SUKY Circle by sponsoring pep rallies, organizing send-offs for the teams when they play away games, and by cheering in a reserved section at all football and basketball games. The organization also sponsors the cheerleaders, their elections, and a cheerleader manager.

In addition to these activities, SUKY furnishes two members and the chairman for the Homecoming steering committee and has charge of the Homecoming parade, queen contest, and half-time ceremonies. This year the club initiated the "Yell-Like-Hell" contest at Homecoming.

Membership in SUKY is made up of students at the University who are selected on the basis of points earned while working on posters, banners, shakers for the games, and other SUKY projects, as well as interest and enthusiasm. Each member is awarded an official SUKY letter sweater by the circle.
